It is charged that the little fellows purnell Wells and Tommie Frisbie, broke and entered W. A. Finn's stable and took away three bugsy robes and other property, amounting in value to about \$25, all of which was recovered by the police.

Following the introduction of Dr. Parker, of the China Mission, and F. S. Dr. C. W. Byrd, of the Western North Carolina Aconference, was introduced as the representative of Dr. J. D. Hammond, secretary of the education fund, and made an appeal in the interest of this cause. He took occasion to remark that "The Episcapal Bee" has never buzzed about his head. He was speaking especially for the movement to raise a half-million doilars within five years, through enlisting 100,000 laymen who will pledge to pay \$1 each year for five years.

The conference heard a fervent address by Dr. W. F. Tillett, on the work being accomplished in the theological department of Vanderbilt University, from which, he said, had gone out in past years over 700 ministers. He pur particular stress, too, on the advantages of the correspondence school department of this university as of special advantage to ministers in the active work of the ministry.
